

## COVID-19 GUARANTEE

We at ST4 fully understand how challenging dealing with covid-19 has been for teachers and wish to alleviate any future concerns that may occur in schools in relation to future ski trips. It is for this reason that we offer a full covid-19 guarantee that covers all of the possible restrictions that we have been able to identify over the last year.

Your school will be able to cancel its trip from 2 weeks prior to departure until day of departure free of charge (100% refund) in case any one of the following restrictions come in to place:

- ✓ Your ski resort is closed due to covid-19 restrictions
- ✓ Your hotel is closed due to covid-19 restrictions
- ✓ Your destination country does not allow visitors from abroad or from the UK to cross its border due to covid-19
- ✓ If you would need to go into quarantine in either your destination country or in the UK upon your return due to covid-19
- ✓ FCDO advises against travel to your destination country, or to part of that country due to covid-19
- ✓ DfE advises against travel to your destination country due to covid-19
- ✓ There is a blanket ban for schools traveling abroad due to covid-19

\*This guarantee is valid for all bookings that are confirmed before 19 July 2021 for schools travelling during the 2021/2022 winter ski season and is strictly subject to all payments being made on time.
